

a shipwreck site or inundated archaeological site shall be conducted under this permit.

No artifacts either attached or loose shall be retrieved at a shipwreck site or inundated archaeological site.

The Permittee shall provide the Commission with a report including a description of the find(s), a photograph of the find(s), and a map indicating the location of the find(s) prior to the end of the permit.

The Permittee shall not disclose exact location or coordinates of any cultural resources located.

In no way shall the Commission, the State of Alabama, their agents or employees, be held liable for any accident, incident, or cost incurred by this permit activity.

The rights and approvals granted to the Permittee by the Commission for this permit activity shall in no way be transferred or subcontracted to any other individuals or companies.

Issuance of this permit by the Commission to the Permittee shall in no way negate the responsibility of the Permittee from obtaining any and all federal or state permits or approvals or complying with any or all federal or state laws or regulations.

Issuance of this permit by the Commission to the Permittee shall in no way negate the State of Alabama's ownership of all shipwrecks shipwreck sites, debris fields, inundated archaeological sites, or any and all artifacts associated with these sites.
