Honorable Chris Pringle  
Representative, District 101  
Alabama House of Representatives  
PO Box 8342  
Mobile, AL 36689

Dear Representative Pringle:

I have been in Alaska for the last two months. When I got back I read a copy of a letter sent to you by Mr. Lee Warner from the State Historical Commission. In this letter it said that I had been invited to attend a meeting that they had. I was unable to attend because of being out of the country. I would like to have input into this act. As far as I know, no dive store owners, collectors, relic hunters, dredgers or prospectors have had any input at all. Since this act affects us and only us, I think we should have major consideration. I would like to help with correcting some of the errors in this act.

I want to thank you for your concern and help in looking out for the people of the state who will be affected.

Thank you very much.

Sincerely,

Steve Phillips
